

Dear FCC,

This is a letter pleading for regulation of media monopolies.  
If Mr.

Powell Jr. deregulates he'd be pandering to CORPORATE interests  
Whom CARE

LITTLE ABOUT MY COMMUNITY!

This is supposed to be a democracy , which means we need a  
diversity of  
NEWS, INFORMATION AND OPINIONS. Regulation would PREVENT media  
monopolies!

Democracy should not have monopolies! Democracy needs the  
watchdogs!!!

Please don't kill the spirit of FREE SPEECH by letting  
monopolies ---profit  
---dictate!

What matters are voices of dissent which monopolies will  
prevent , that  
prevention would lead to a sick society. Wealth needs to be  
distributed to  
bridge the gaps of inequity. The buck stops here-the FCC is the  
overseer, the  
watch dog....please don't let big media take over! Stop  
deregulation-the easy  
way out. I was referred here by my sate Senator , Debbie Stabenow.  
Stop  
deregulation and do the job only the FCC has the power to do. Be a  
watch dog  
not the lap dog!

Thank-you,

Mrs. Rose Burke
